

Making Ohlone Students STARSS

Students Towards A Rapid Smoke-free School

Sick of inhaling cigarette smoke from
faculty, staff, & students?

Want a healthier campus?

Here's your opportunity to BUTT IT OUT for good.

Join the STARSS Club today. STARSS Club members
advocate for Ohlone to become a smoke-free school.
Interested students may stop by the Student Health Center
Bldg. 16.

This program is made possible by funds received from Proposition 99
(Tobacco Tax Health Protection Act), through the California Department of
Health Services, Tobacco Control Section, under contract #01-15487.
